PROFESSIONAL EXPERIENCE

Matthew Cunningham Landscape Design LLC, Stoneham, MA and Portland, ME

2004–present

Founding Principal

Matthew Cunningham Landscape Design LLC is an internationally acclaimed, award-winning design firm dedicated to creating lush, contextual landscapes throughout the Northeast. Our unique understanding of what it means to live in seasonal New England drives our environmentally distinctive approach. Our patron-focused process is dedicated to creating and implementing meaningful, authentic design solutions that grow directly from the geometry and materiality of our clients' homes. Our plant-centric projects strengthen the connections between interior and exterior spaces, bridge indoor and outdoor lifestyles, and grasp the dynamic rhythms of everyday life.

Reed Hilderbrand, Cambridge, MA

2000–2004

Project Manager | Designer | Technical Assistant

Valued team member on wide range of award-winning projects at medium-size landscape architecture firm. Gained excellent management skills, technical savvy, and strong organizational abilities. Collaborated with wide range of architects, interior designers, engineers, and contractors; coordinated and observed construction practices for high-end residential and institutional clients throughout New England. Peer collaboration drew from extensive personal plant knowledge and experience with construction processes.

Mainescape, Inc., Blue Hill, ME

1997–2000

Nursery Manager | Designer | Sales Associate

Executed all stages of private garden design and installation; supervised employees, upheld customer relations and selected retail and wholesale merchandise. Advised customers on all aspects of plant care and placement with attention to use of native species. Developed strong community relations and presented to area garden clubs on the topics of alpine plants, shade gardening, the genus *Hosta*, and seasonal garden maintenance.

Rocky Ridge Perennials, Orland, ME

1992–1997

Assistant Nursery Manager | Grower | Sales Associate

Designed and maintained extensive display gardens and practiced multiple propagation techniques for herbaceous and woody plant materials. Gained critical hands-on experience with landscape construction and carpentry practices. Co-taught interactive workshops to gardeners on the topics of: perennial bed design, organic composting, improving soil structure, container gardening, plant propagation, and insect/pest control.

EDUCATION | ACADEMIC HONORS
